Dear Jackie and Andrew,

I thought you would like to see the lousy shots that I took, and the good ones that you and your staff took, of our magnificent wedding weekend. From start to finish - it was the most special and beautiful weekend I have ever had. You are so good at what you do. Your staff is wonderful. They are so caring, sensitive, and just so accomodating that you should be extremely proud. Your grounds, your spa, your Manor is impeccable. Your service is superb - your chef and your food is BEYOND! Your cosmopolitans are fabulous - better than anywhere in the world - and as your know I have been around! What else can I say - I fell in love over the weekend with Ted. He is the best, and Jackie - I hope that we can be friends forever. My friends, and family - and the entire Maguire family and their guests were blown away with how gorgeous and special you made our weekend. My daughter and son in law - are still trying to recapture every moment. It went so fast - you forgot to tell me that. In any case - thank you so very much. We will never forget you - we love you all, and hope to continue our love affair some time in the future.

Fondly,
Gerry
